

The Saint Andrews Reopening Task Force met on Wednesday evening, May 19.

Highlights:

1. Given both the revised CDC guidelines which allow fully vaccinated persons to go unmasked and Governor Cooper's lifting of the mask mandate, the RTF approved: effective Sunday May 23rd and forward, fully vaccinated persons be allowed to unmask inside Saint Andrews' buildings. Signage will be posted which reads as follows: "Masks are optional for fully vaccinated persons. Masks and social distancing are still mandatory for unvaccinated persons."
2. Attendance will continue to be recorded for contact tracing purposes.
3. The RTF approved: preparations begin immediately to open the original building and the Sanctuary for worship beginning Sunday, June 6th. The original building will be thoroughly cleaned as soon as possible to enable them to be safely used.
4. Guidelines for safely reopening the nursery were presented. As soon as these are finalized, they will be posted and the nursery reopened on Sunday morning.
